Assisted Living

January 2012

From the desk of Julie:

Happy 2012 to everyone! We are looking forward to the New Year ahead. There are a few important updates for you to be aware of.

The first is related to pharmacy delivery services from Walgreens. Walgreens will continue delivery service to the community; however, there are some residents who have Express-Scripts/Tricare medication coverage that will no longer be serviced by Walgreens. Due to this situation, we have contracted with another pharmacy, Lifecek Drug, to handle residents with this coverage. Liz will be working with those residents/families in assisted living that are affected to coordinate the switch over to the new pharmacy. Should anyone in the Healthcare Center have this insurance please contact Todd, Phil or I and we will assist you with these forms.

The other update is related to our cable services from Comcast. Some of you may have received a letter regarding the upcoming conversion to digital service. There is NO need to respond to this mailing. Due to our bulk arrangement, we are coordinating to get the required equipment for everyone's TVs if needed. Those residents with HDTV and premium service already have the appropriate equipment. We will be contacting you in the next 30-60 days to install any needed boxes in your apartments. Once this is complete, we should have better reception throughout the community. Once this is complete, there will be a new filter put on our in-house channel that will allow the reception to come consistently. Please watch for updates from us on this conversion.

In closing, the entire team and I wish you the best for the New Year and thank you for allowing us to serve you!

Julie Fenske
Executive Director

FAMILY MEMBERS NEED CARE TOO!

If you are a family member of a person receiving care at the Plaza you may be interested in a program we will be hosting at the Buckingham. It is called *Powerful Tools for Caregivers*, a six week, one class a week educational program. It focuses on the care giver, not the care recipient and is designed to equip family caregivers with effective self care tools.

Brochures with more details are available at the concierge desk in the Plaza. A 45 minute preview session is scheduled on Monday January 16th at 2:00PM in the Theater at the Buckingham.

Classes will begin January 30th. Registration is required and Class Size is limited.
